## **State Level**

State Governments will oversee and facilitate implementation in the institutions in their State through the State Project Implementation Unit (SPIU) under the department responsible for technical education. The Secretary in-charge of technical education is overall responsible for project implementation in that State, assisted by the Director of Technical Education and the team in the SPIUs. Each State will enter into a MoU with each participating institution.

## **Institutional Level**

At the institutional level, the Board of Governors (BOG) is the body responsible for institutional project design, reform and project implementation. The day-to-day implementation is coordinated by a TEQIP unit headed by the institutional Director and assisted by a senior faculty member as the TEQIP Nodal Officer.

There will be around 200 participating Project institutions, including new Centrally Funded Institutions (CFIs). The institutes will sign MoU with State Govt. and State Govt. will sign with MHRD. The Centrally Funded institutions/CFIs shall sign MoU with MHRD.

## **OBJECTIVE:**

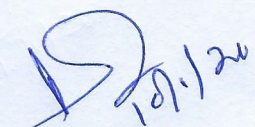

The essence of the World Bank audit policy is to ensure that the Bank receives adequate independent, professional audit assurance that the proceeds of World Bank credit were used for the purposes intended, that the annual project financial statements are free from material misstatement, and that the terms of the credit agreement were complied with in all material respects.

The objective of the audit of the Project Financial Statement (PFS) is to enable the auditor to express a professional opinion as to whether (1) the PFS present fairly, in all material respects, the sources and applications of project funds for the period under audit examination, (2) the funds were utilized for the purposes for which they were provided, and (3) expenditures shown in the PFS are eligible for financing under the credit agreement.

The books of account that provide the basis for preparation of the PFS are established to reflect the financial transactions of the project and are maintained by the project implementation agency namely, State Project Implementation Unit at the State level and implementing institutions (i.e. College & Technical University) at State level.

## **STANDARDS:**

The audit will be carried out in accordance with the Engagement and Quality Control Standards promulgated by the Institution of Chartered Accountants of India (ICAI). The auditor should accordingly consider materiality when planning and performing the audit to reduce audit risk to an acceptable level that is consistent with the objective of the audit. Although the responsibility for preventing irregularity, fraud, or the use of credit proceeds for purposes other than as defined in the legal agreement remains with the borrower, the audit should be planned to have a reasonable expectation of detecting material misstatements in the project financial statements.

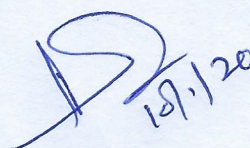

## SCOPE:

There are six government engineering colleges and one Technical University of Odisha to which the funding is being given under this Project. So total Seven numbers of Participating institutions are there in Odisha under this Project besides State Project Implementation Unit.

In conducting the audit, special attention should be given to the following:

- a) An assessment of the adequacy of the project financial management arrangements, including internal controls. This would include aspects such as (i) adequacy and effectiveness of accounting, financial and operational controls and needs for revision of the same, if any; (ii) level of compliance with established policies, plans and procedures; (iii) reliability of accounting systems, data and financial reports; (iv) methods of remedying weak controls or creating them where there are none, and; (v) verification of assets and liabilities. This assessment is required to be carried out for each every year of project implementation and specific comments on these aspects are required be provided by the auditor annually in the Management Letter.
- b) All project funds have been used in accordance with the conditions of the relevant legal agreements and only for the purposes for which the financing was provided. Relevant legal agreements include, the Project Appraisal Document, Project Implementation Plan (PIP), Financial Management manual, Minutes of Negotiations and the Memorandum of Understanding.
- c) All expenditure, including procurement of goods and services has been procured in accordance with relevant provisions of the Procurement Procedures prescribed for the program. Proper documents, namely, purchase orders, tender documents, invoices, vouchers, receipts, pay bills, TA bills etc. are duly maintained and linked to the transactions.
- d) All necessary supporting documents, records, and accounts have been kept in respect of all project transactions including expenditures reported via PFMS. Clear linkages should exist between the books of account and PFMS presented to the Bank.
- e) The expenditures reported as per the quarterly PFMS are in agreement with the audited expenditure/ books of accounts and variances are documented.
- f) Expenditure incurred, with reference to the budget allocation approved by NPIU/MHRD. In case the budget allocation is exceeded, proper re-appropriation duly approved by the competent authority has been obtained.
- g) An assessment of closing advances including staff advances. Present an ageing report of the outstanding advances for more than one year.
- h) The project accounts have been prepared in accordance with consistently applied Accounting Standards issued by the ICAI and present fairly, in all material respects, the financial situation of the project at the year end and of resources and expenditures for the year ended on that date.
- i) Physical verification of the assets created out of project funds, as required under the applicable assurance standards.
- j) An assessment of the compliance of previous audit observations raised, if any. The audit report should include a separate Para in this regard.

**GENERAL:**

The auditor should be given access to all legal documents, correspondence, financial manual, procurement manual, NPIU/MHRD guidelines and any other information associated with the project and deemed necessary by the auditor.

**PROJECT FINANCIAL STATEMENTS:**

The Project Financial Statements should include-

(a) Statement of Sources and Applications of Funds.

(b) Reconciliation of Claims to Total Applications of Funds. The PFS includes reconciliation between expenditure reported as per the Statement of Sources and Applications of Funds and expenditure claimed from the World Bank through Interim Unaudited Financial Reports (IUFR) based method of reimbursement

(c) Other Statements or Schedules such as:

- A statement showing appropriate major heads of expenditure by Project Component/Sub-components
- A summary of cumulative expenditures
- A summary of advances along with ageing

(d) Management Assertion: Management should sign the project financial statements and provide a written acknowledgement of its responsibility for the preparation and fair presentation of the financial statements and an assertion that project funds have been expended in accordance with the intended purposes as reflected in the financial statements.

**AUDIT REPORT:**

An audit report on the PFS should be prepared in accordance with the Engagement and Quality Control Standards promulgated by the Institute of Chartered Accountants of India (ICAI). Those standards require a clear written expression of opinion on the financial statements taken as a whole. An unqualified opinion indicates the auditor's satisfaction in all material respects with the matters laid down under the relevant agreement. When a qualified opinion, adverse opinion or disclaimer of opinion is to be given or reservation of opinion on any matter is to be made, the audit report should State the reasons thereof. In addition, the audit opinion paragraph will specify whether, in the auditor's opinion, (a) with respect to Interim Unaudited Financial Reports (IUFR) adequate supporting documentation has been maintained to support claims to the World Bank for reimbursements of expenditures incurred; and (b) except for ineligible expenditures as detailed in the audit observations, if any, appended to the audit report, expenditures are eligible for financing under the Credit Agreement.

The project financial statements and the audit report should be received by the Bank not later than 6 months after the end of the fiscal year. The auditor should also submit two copies of the audited accounts and audit report to the Implementing Agency.

**MANAGEMENT LETTER:**

In addition to the audit report on the project financial statements, the auditor will also prepare a management letter highlighting findings during the audit, which will inter alia include:

i) Comments and observations on the financial management records, systems and controls that were examined during the course of the review;

- ii) Deficiencies and areas of weakness in systems and controls and recommendation for their improvement;
- iii) Matters that have come to attention during the audit that might have a significant impact on the implementation of the project; and
- iv) Any other matters that the auditor considers pertinent to report in relation to the financial management of the project.

The observations in the Management Letter must be accompanied by a suggested recommendation from the Auditor and Management Comments on the observations/recommendations from the Management.

**MANAGEMENT ASSERTION:**

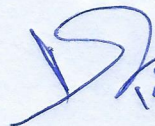

In addition, the auditor is expected to ensure that a management assertion in the format below is provided in the project financial statements and signed by the management.

"It is certified that the proceeds of the loan provided by the World Bank have been used only for the purposes for which the loan was granted, with due attention to considerations of economy and efficiency and without regard to political or other non-economic influences or considerations"

**UTILIZATION CERTIFICATE:**

The Auditor is further required to provide a certificate giving details of unspent balance brought forward from the previous financial year, funds released during current financial year indicating sanction numbers and amount, funds utilized and unspent balance at the closing of financial year.
