1. Background

The Directorate of Technical Education and Training, Odisha, (DTE&T), is responsible to provide advanced skill training to the youth of the state through the technical institutes (ITIs & Polytechnics) to meet the present and future need of the industries and creation of self-employment opportunities by improving their employable skill.

DTE&T looks after several Central/State funding skill development projects/schemes (i.e. OMBADC, DMF, LWE, RUSA, STRIVE, TEQIP-III, PMKVY, SANKALP, State Plan etc.) with an objective to impart quality skill development training to build a knowledgeable and industry-ready manpower to cater the demand of the labour market. These schemes/projects are time bound and result oriented. The Project Management Unit (PMU) including SAMC, SPIU and PMC will play an important role to achieve the overall objectives of these projects as well as the objectives of Skill Development Department.

Apprenticeship training is one of the most effective schemes to develop skilled manpower in terms of quality of training, experiential learning and the enhanced employability. The National Policy of Skill Development and Entrepreneurship 2015, launched by the Hon'ble Prime Minister on 15th July, 2015, focuses on apprenticeship as one of the key program for creating skilled manpower in India. The policy proposes to proactively work with industry including MSME sector to facilitate a tenfold increase in apprenticeship opportunities in the country by 2020. The Apprentices Act, 1961 was enacted with the objective of regulating the program of training of apprentices in the industry by utilizing the facilities available therein for imparting on-the-job training. Presently about 2 lakh trainees are annually enrolled in the ATS in about 28,500 establishments which is in the order of about 0.05% of India's workforce. The government has brought comprehensive amendments in the Act in December 2014 to make it more attractive for both industry and youth. Major changes introduced in the amendment are: replacing the outdated system of trade wise and unit wise regulation of apprentices with a band of 2.5% to 10% of the total workforce (including contractual workers), introduction of optional trades, removing stringent clauses like imprisonment & allowing industries to out-source basic training. With the introduction of 'optional trades' companies can now design needs-based apprenticeship programs and are permitted to involve a third-party training provider to run basis training modules. New "dual" training programs have been developed and ITI and companies are encouraged to deliver dual training.

2. Objectives of the Proposal

PMC

The specific objectives of PMC are to work closely with DTE&T & SD&TE Department to achieve the objectives of Government of Odisha and provide technical support to DTE&T and Technical Institutes (Govt. ITIs & Polytechnics) for successful initiation, planning, execution, regulation and timely closure of OMBADC/DMF/any other projects/schemes as per requirement.

With the assistance of PMC, DTE&T will be able to achieve objectives of SD&TE Department, Govt. of Odisha in the stipulated timeline.

SAMC & SPIU

Ministry of Skill Development and Entrepreneurship had targeted to enhance the engagement of both trade and optional trade apprentices from existing 2.3 lakh to 50 lakh cumulatively by 2020. To meet this challenging task of increasing enrollment of trainees and establishments under the apprenticeship system, DGT, New Delhi has considered to strengthen the State Government and UT administration by providing a functional implementation and monitoring cell at the State/UT level.

At present, the apprenticeship cell of DTE&T, Odisha has been functioning with one Joint Apprenticeship

Advisor, one Deputy Apprenticeship Advisor and ministerial staff under the supervision of DTE&T – cum - SAA. The Government ITI Principals act as Zonal Apprenticeship Advisers for implementation of the Scheme.

In order to effectively operate and monitor NAPS in the State in an augmented manner through wider participation of MSMEs, there is absolute need to establish State Apprenticeship Monitoring Cell (SAMC) at the Directorate.

3. Scope of Work

3.1 Project Management Consultants (PMC)

The Project Management Consultants (PMC) will be responsible for achieving the overall objectives of these projects (OMBADC/DMF/DET/Private ITI Revolving/any other) as well as closure of these projects within stipulated timeline.

The PMC shall broadly carry out the following functions to assist DTE&T.

1. Monitoring the sanctioned projects and support to prepare plan for different projects.
2. Assesses and reports actual project progress compared with planned progress to determine trends and variances.
3. Compiles and distributes project information, status reports, and project budget expenditures.
4. Designing and development of a comprehensive framework for monitoring of several Skill Development Projects.
5. Coordinate with officials from DTE&T and Govt. ITIs & Polytechnics for collection of data on the status of the sanctioned projects and update the same in the system data base.
6. Analyze data received from different stakeholders using data analytical tools and generate reports in the desired formats.
7. Performing the role of a knowledge partner and provide Technical help to the line departments/stakeholders in implementation of different schemes/projects.
8. Monitoring the compliance of the Contract between the DTE&T and other technology partners to setup and run the Centre of Excellences at Govt. ITIs & Polytechnics.
9. Periodic updates to DTE&T on progress of the projects and development.
10. Study and analyze the strategy, vision and challenges being faced during the implementation of these projects.
11. Provides project management consultative services and technical assistance to improve project management delivery using appropriate scheduling tools.
12. Help DTE&T to document success stories of the projects done which have impacted the lives of the youths and their families.
13. Support in organizing workshops, seminar, training for the officials from DTE&T and other technical institutes.
14. Any other work assign by DTE&T from time to time.

3.2 State Apprenticeship Monitoring Cell (SAMC) & State Project Implementation Unit (SPIU)

The SAMC would be the key agent for driving apprenticeship development and innovation in the state, and managing the state level functions in the National Apprenticeship Training Scheme and state apprenticeship initiatives. The SPIU will assist in implementing the STRIVE Project at 27 STRIVE Selected ITIs based on Operation Manual prescribed under the project. The broad function of the SAMC & SPIU can be divided into following broad areas:

a) Sensitization and Awareness creation of stakeholders to promote participation in apprenticeship training and assist stakeholders in getting involved:

- i. Be the advocates for modern apprenticeship training in the states.
- ii. Sensitize and inform stakeholders (business community, youth/families, unions, etc) about the benefits of apprenticeship training.
- iii. Inform stakeholders about options and rules/regulations of apprenticeship training and its various support schemes in India and the state.
- iv. Organize and facilitate the establishment of an “apprenticeship champions” network and its activities.
- v. Provide information and counseling to industry clusters and individual firms intending to start apprenticeship training.
- vi. Liaise with ITIs and other training providers with the aim of supporting their engagement in dual apprenticeship training.
- vii. Create platforms for information exchange and regular dialogue with schools/institutions to enhance local awareness about apprenticeship training and the relevant schemes.
- viii. Organize innovative outreach programs to target schools directly; student exposure visits to industries, bring on board successful apprentices as potential brand ambassadors.
- ix. Organize Awareness campaigns through social media – FB, print, radio, mobile platforms etc
- x. Identify existing mechanisms for outreach including channels that are already available and address gaps and areas to build up capacity.
- xi. Develop and implement activities ensuring the enrollment of women particularly in the non-traditional sectors, SC & ST and persons with disabilities in the apprenticeship scheme.
- xii. Conduct all other activities necessary and conducive to increase participation and improve the quality of apprenticeship training in the state.

b) Facilitate the implementation of apprenticeship support schemes, such as STRIVE, NAPS Scheme, and others.

- i. Advertise the IAI Grant Scheme and other schemes for the promotion of apprenticeship training among companies and industry clusters in the state.
- ii. Manage the STRIVE IAI grant scheme the call for proposals in the state.
- iii. Facilitate partnerships between industry cluster/business associations, basic training providers and possibly Third-Party Accelerators (TPA) with the aim of initiating apprenticeship initiatives.
- iv. Facilitate the involvement of external experts in the development of apprenticeship initiatives where appropriate.

- v. Support industry clusters to conceptualize industry apprenticeship initiatives and to apply for grant funding.
- vi. Support industry clusters in the implementation of industry apprenticeship initiatives (hand-holding approach)
- vii. Facilitate capacity development needs assessments for apprenticeship training in companies and basic training providers.
- viii. Facilitate the participation of apprenticeship stakeholders in the state in capacity building activities funded under STRIVE and other schemes and programs.
- ix. Assist companies to access subsidies under the NAP Scheme
- x. Operationalize and manage activities to facilitate the enrollment and intake of applicants from the ITI database expanding the candidate base to include fresher, PMKVY and MES candidates prescribed under the NAP Scheme, e.g., through setting up a student's helpline.

c) Monitoring of apprenticeship training in the state

- i. Oversee the collection of relevant management information data for apprenticeship training in the state (using the central apprenticeship portal)
 - ii. Undertake activities to ensure apprenticeship information in the state is entered into the central apprenticeship portal.
 - iii. Compile annually information about apprenticeship activities in the state and disseminate information to the relevant state offices and stakeholders.
 - iv. Assist the implementation of studies and evaluations of ATS in India in the state.
 - v. Monitor the implementation of supported Industry Apprenticeship Initiatives and verify achievement of results and milestones.
 - vi. Facilitate and oversee state-level evaluations of ATS issues in the state as needed.
- d) Implementation of all deliverables envisaged in the revised guidelines issued by DGT, New Delhi vide letter No DGT-1(27)/D1/SAMC/2017-AP dated 26.12.2018 in Connect-Bridge-Execute mode.
- e) The SPIU shall be functional as a counterpart unit of National Project Implementation Unit (NPIU) on project activities and support to State Director at DTE&T, Odisha.

4. Period of Execution

The selected Agency will deploy qualified and experienced Consultants as specified in the section 7 (Human Resource) of this RFP for SAMC, SPIU & PMC for a period of 1 year from the date of signing the agreement, which can be extended for a period of maximum 2 years with two annual renewals based on the prior performance along with a fresh set of mutually agreed deliverables.
